Natural Quartz Collection

The Ultimate in Stone Technology

Venatino Statuario Quartz

Natural Quartz Collection

Quantum Quartz are the pioneers in bringing you the first collection of marble inspired quartz surfaces in Australia.

Quantum Quartz is manufactured using the patented Breton process, making it an extremely hard wearing, practical and highly versatile surface.

Quantum Quartz is the ideal low maintenance, hygienic choice for benchtops, splashbacks, vanities and more.

Quantum Quartz looks great with its sleek lines and finishes. You can be assured many years of lasting beauty and style that you would expect and appreciate of such a highly reputable product.

Quantum Quartz surfaces are of the highest quality and offer a 10 Year Limited Warranty.

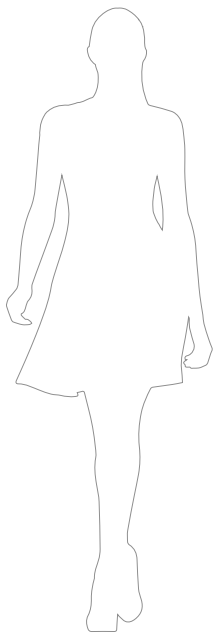

Calacutta Primo Quartz

Classic

Calacutta Primo Quartz is inspired by Calacutta marble, which originates in Italy. It features a crisp white background highlighted with bold grey tonal veins. This colour combination remains as popular now as it has been through the centuries.

Slab Size

3040 x 1440 x 20 mm

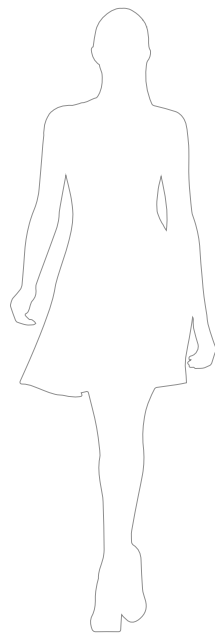

Venatino Statuario Quartz

Distinctive

Venatino Statuario Quartz features scattered lightning bolt like veins. It is striking yet timeless with its pure white background and crisp grey veins.

Slab Size

3040 x 1440 x 20 mm

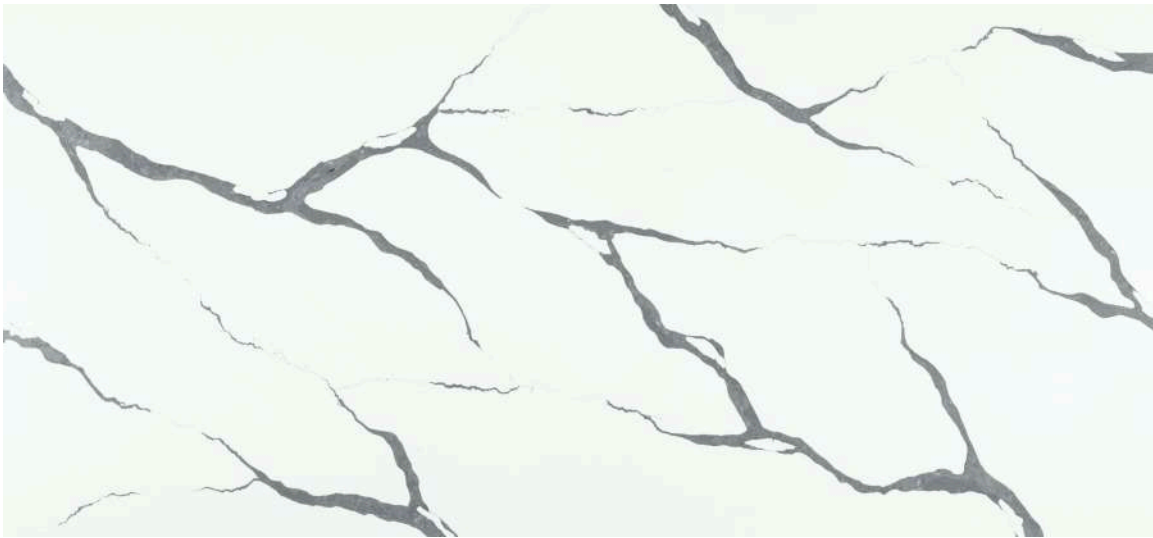

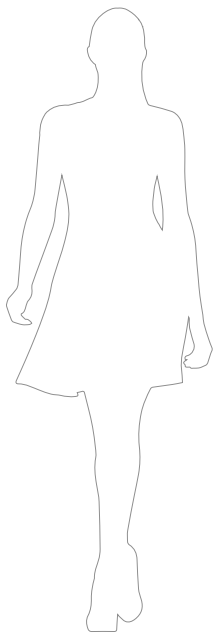

Grande Statuario Quartz

Bold

Grande Statuario Quartz is the bold cousin of Calacutta Primo Quartz. It showcases a prominent dark grey vein that will impress.

Slab Size

3040 x 1440 x 20 mm

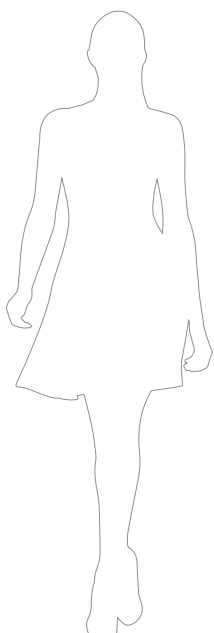

Grigio Quartz Matte

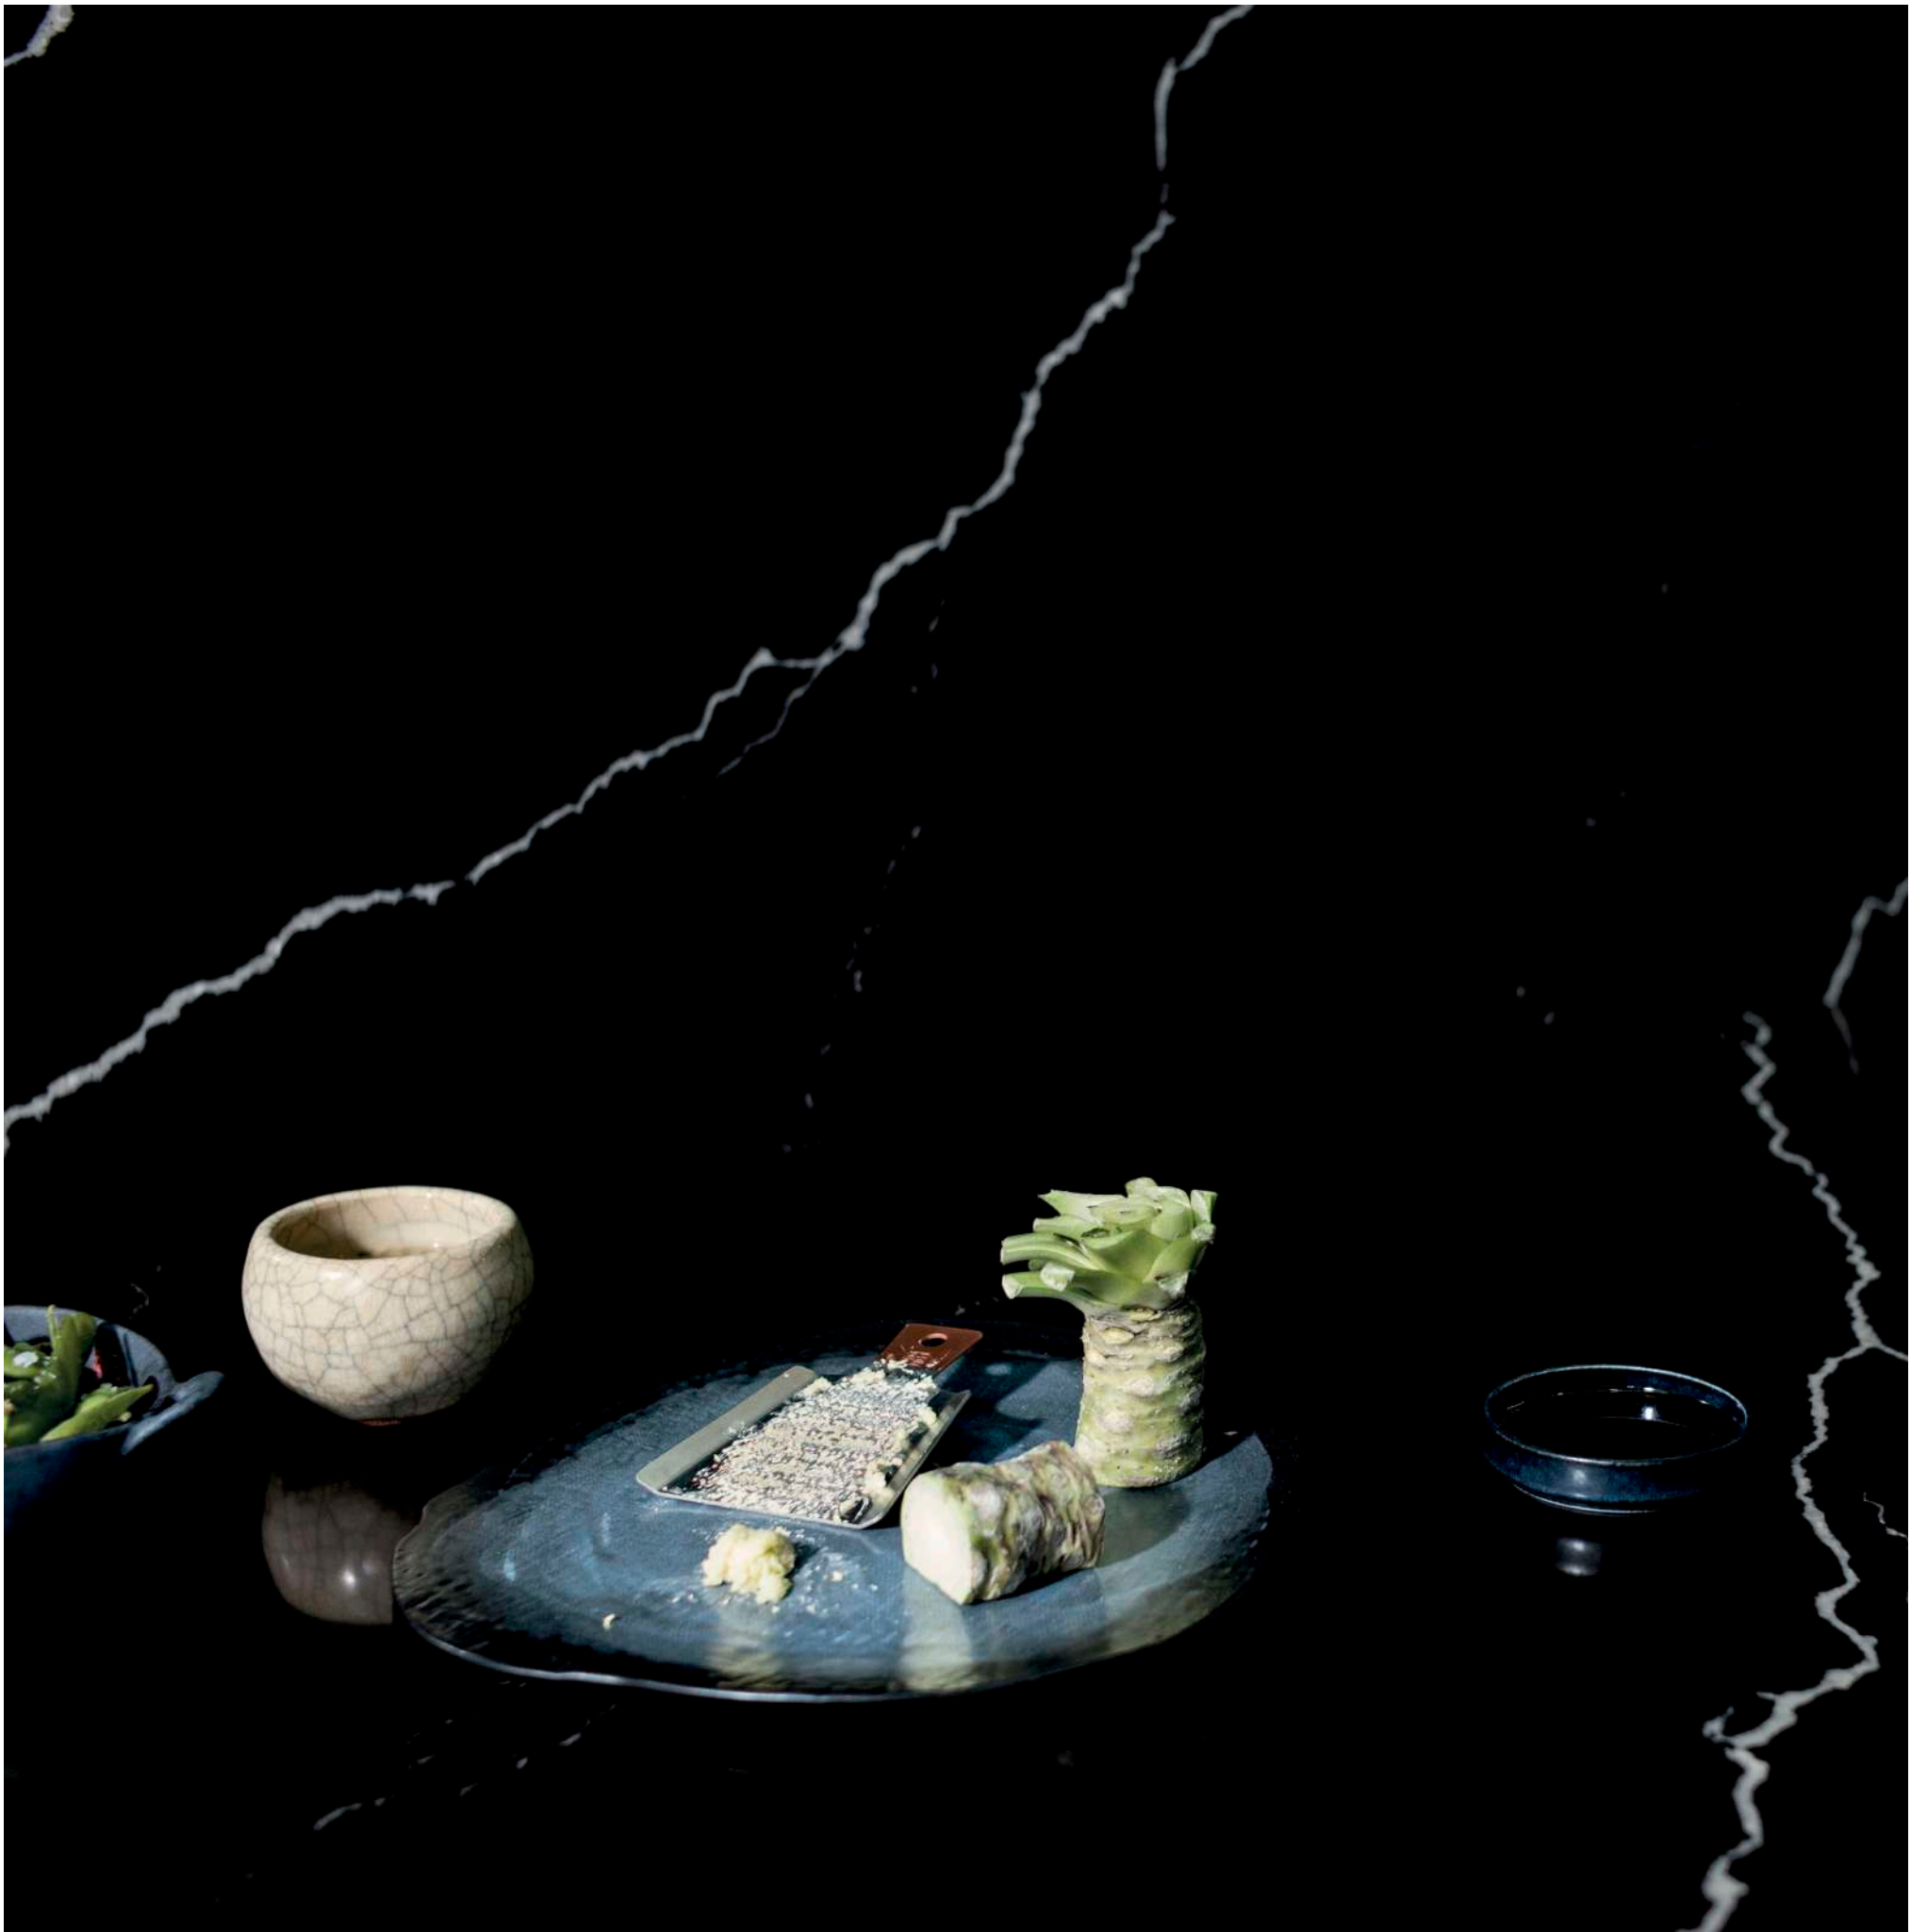

Luxurious

Grigio Quartz Matte resembles the natural stone Pietra Grigio. This grey background stone is accentuated with feathered white veins and offers a timeless, contemporary look.

Slab Size

3040 x 1440 x 20 mm

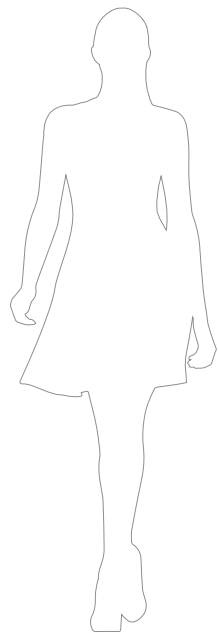

Marquina Quartz

Dramatic

Marquina Quartz is designed to represent Nero Marquina natural marble. It features a jet-black background with contrasting striking white veins. Marquina Quartz offers a statement piece for the modern home.

Slab Size

3040 x 1440 x 20 mm

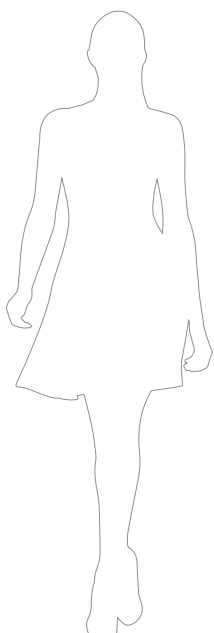

Statuario Quartz

Elegant

Statuario Quartz is Quantum Quartz's take on Statuario marble. It features a clean white background with sweeping veins in a blend of grey and taupe.

Slab Size

3040 x 1440 x 20 mm

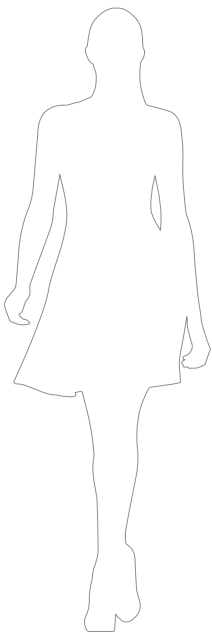

Michelangelo Quartz

Playful

Michelangelo Quartz is a delicate blend of soft grey veins. Michelangelo Quartz is Quantum Quartz's interpretation of the Italian marble which Michelangelo himself sourced from the mountains of Northern Tuscany 500 years ago.

Slab Size

3040 x 1440 x 20 mm
3310 x 1660 x 20 mm

Quantum Quartz is the hygienic, easy to clean surface for kitchens, bathrooms, laundries and more.

Slabs

Slab Size 3040 x 1440 mm

Slab Thickness 20 mm

Slab Identification

Every Quantum Quartz slab is stamped on the underside to certify authenticity.

Edge Profiles

Quantum Quartz recommends a minimum radius of 3 - 4 mm on edge detail for optimal performance. There are many edge profiles to choose from. These are a few of the popular edge profiles:

Arris 20mm

Arris 40mm

Mitred Apron 40mm

Product Features

Non-porous

High Resistance to Staining

High Scratch & Chip Resistance

High Flexural Strength

High Abrasion Resistance

High Chemical Resistance

Quantum Quartz is a natural based surface. It may contain variation in colour due to raw materials. Particles used in the products may sometimes produce minor irregularities such as blotches and coloured particles. The Natural Quartz range of colours combine a mix of unique veins with some natural variations. Vein structure may vary. It is recommended for the customer to view the whole slab. The representations in this brochure may vary to the actual product and are limited by print technology.
