Rugged Concrete™ 4033

Full slab visual appearance.

Rugged Concrete's dramatic design makes each slab individually unique.
We recommend viewing full slabs at your stonemason prior to commencing fabrication.

Rugged Concrete™ 4033

Full slab visual appearance examples.

Due to the authentic, robust look of Rugged Concrete with its inherent textural movement and patina, variations in visual appearance may occur between slabs.

We recommend viewing full slabs at your stonemason prior to commencing fabrication.
