

AR PLUS® LAMINATES

FORMICA® AR PLUS® adds a touch of quality to interiors with a minimum of fuss. A superior high gloss laminate, its greater abrasive and scuff resistance helps horizontal and vertical surfaces maintain their shine better than standard gloss laminates. The stunning range of AR Plus colours are part of the Formica Colour Range, so creating beautiful colour schemes is easy. Another brilliant thing about Formica AR Plus, it's covered by a 7 year limited warranty.

Formica GlossPlus Laminates are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to Formica GlossPlus Laminates as photographic lighting and modern printing processes allow. Formica GlossPlus Laminates are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. The inherent nature of the high gloss laminate surface and the high optical reflectiveness means that slight rippling may be evident, especially in areas of strong direct and/or concentrated light. Formica GlossPlus Laminates should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Formica GlossPlus laminates 7 year limited warranty from formica.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. **Formica® GlossPlus®**
